

Announcement of ABC concerning the special issue papers

Information concerning the special issue of Analytical and Bioanalytical Chemistry devoted to CSIXXXVI

Dear colleagues,

We would like to invite you to contribute to a special issue in the context of the 'Colloquium Spectroscopicum Internationale XXXVI' (CSI XXXVI). The special issue will appear in 'Analytical and Bioanalytical Chemistry' (www.springer.com/abc). Manuscripts need to be full research papers and present original, unpublished work. All contributions will undergo the usual peer reviewing process by independent referees. The journal's instructions for authors can be found on the ABC homepage at www.springer.com/abc.

Manuscript submission deadline will be September 30, 2009. When submitting the manuscript online at mc.manuscriptcentral.com/abc please indicate that the paper is a contribution for the special issue 'CSI XXXVI'.

Please let us know whether you are interested in submitting new results of your work as a manuscript to the special issue. In this case we would appreciate if you simply send your contact information together with a preliminary manuscript title to (juergen.einax@uni-jena.de and zaray@ludens.elte.hu) by September 10, 2009. We are looking forward to hearing from you at your earliest convenience,
